- 4 Mechanical fasteners
- 5 Base coat
- 6 Glass Fiber Mesh
- 7 Base coat
- 8 Primer coat
- 9 Decorative Top Coat

## WHY CHOOSE EIFS?

Transform Your Building with EIFS  
Exterior Insulation Finishing System

Give your building a fresh, energy-efficient upgrade with EIFS—a proven solution that combines performance, durability, and style.

**Energy Efficient:** Continuous exterior insulation reduces energy consumption and lowers utility costs.

**Design Versatility:** Achieve virtually any aesthetic—EIFS supports a wide range of colors, textures, and architectural styles.

**Long-Lasting Protection:** Finished with a tough, weather-resistant coating that stands up to the elements.

**Modern Facelift:** Refresh and revitalize aging structures with a sleek, modern finish that adds value and curb appeal.

EIFS is more than insulation—it's a smart investment in your building's future.
